### Boral working with Local Aboriginal Community to revive culture

Building on Boral's Reconciliation Action Plan's (RAP) commitments on Relationship, Respect and Opportunities, the latest joint project between Boral Peppertree Quarry and the Pejar LALC moved offsite and into the Community as a 'yarning circle' was constructed for use by the local Aboriginal community.

Pejar Local Aboriginal Land Council (LALC) CEO Delise Freeman who is also on the Boral Peppertree Quarry Aboriginal Heritage Management Committee described the importance of yarning circles in Aboriginal culture.

"The yarning circle is a place where we carry out cultural smoking ceremonies. It is a place where knowledge can be passed on from Elders, knowledge holders and community members to the younger generations. They are a place where people are taught cultural lore.

Within the yarning circle, there is no judgement, it is a safe space where everyone is able to speak freely. It is a symbol of equity where no one person has an elevated position, and everyone is equal."

This 12-metre diameter yarning circle in Goulburn, NSW, is made up of aggregate and rock from the local Boral

Peppertree Quarry and the centrepiece is certainly one of a kind, being a Peppertree crusher liner used as a fire pit.

### Holcim Mayoral Charity Golf Day

The teams at Boral Marulan South Operations were once again proud to be a sponsor of the Goulburn Mayoral Charity Golf Day held on the 25th November at the Goulburn Golf course with 4 teams playing on the day. The 3 well deserving charities were:

- Riding for the Disabled Association (NSW) Goulburn Centre
- Can Assist Goulburn and District
- Peanuts Wellbeing Sanctuary Inc.

We are thankful for the crucial work that these charities do and are glad we could support the day!

### Holiday wishes

With the end of the year nearly upon us our thoughts turn to family, Christmas and the holiday period.

At all of our sites, before we start a job we take five minutes to think about what could hurt us and how it can be prevented.

With that in mind, we ask that you 'Take 5' before You travel; or string those lights; or place decorations on the tree; or purchase Christmas gifts; or go out and party.

From the Boral teams at South Marulan, we thank you for your ongoing support and wish everyone a safe and happy Christmas.
