ANZAC DAY 2023

On Anzac Day, 25th April 2023, we remember the many veterans that formed much of the first operational workforce in the business.

Thank you to each and every veteran, serving Defence Force and emergency services person for your service and sacrifice, and thank you to the family members who sacrifice a great deal in enabling others to serve.

It was a privilege to attend both the Tallong and Marulan morning services to pay our respects.

*They shall grow not old, as we that are left grow old;
 Age shall not weary them, nor the years condemn.
 At the going down of the sun and in the morning
 We will remember them
 Lest we forget*

Farewell Mr Higgins!

Many of our community members would have met and got to know the Peppertree Quarry operations manager- Michael Higgins over the past 3 years. Michael has moved back to Queensland to be home with his Wife and 2 Children. We thank him for his leadership over the past years and wish him well in his new position closer to home!
