Gold Medal Achievement

Congratulations to Marulan South Limestone Mine's 3rd year welding and fabrication apprentice, Dalton OConnell on his Worldskills Gold Medal Achievement. It was great to celebrate the success that comes with hard work and dedication. Well done to Dalton and the Mechanical Team!

Returning to work, school, play...

We hope our community enjoyed a safe and restful break and are recharged for the new year. As we do on all our sites, we encourage all returning from holiday to take a little extra time to think about safety before jumping back into the usual routine, whatever that may be. Take 5 minutes to consider the task at hand and any potential risks. We regularly remind our team of the importance of "taking 5" in order to refresh awareness and ensure safety is our top priority.

Tallong Public School

The team at Peppertree Quarry were privileged to attend the Tallong Public School end of year assembly in December. Michael Higgins (Peppertree Quarry Manager) was thrilled to present the lucky recipient with the Boral Numeracy award. Well done to all of the lucky award winners!
